

Council is pioneer in selection and recruitment processes of right candidates for any industry / sector / institutions. Council has conducted many skill tests, recruitment tests, screening tests, etc for selection of right candidates.

Council is conducting boot camps / Apprenticeship Mela in various ITI colleges in various states and districts for selection of ITI candidates and providing the opportunity in reputed 'Multinational Companies (MNCs) under 'National Apprenticeship Promotion Scheme', which the candidates will get the certificate from the Central Government after completion of one year Apprenticeship Programme.

Presently, Council is executing a project with M/s. Toshiba Transmission and Distribution India Pvt. Ltd. (Toshiba), Rudraram, for which the council is selecting the ITI completed candidates through selection and screening process and providing opportunity in Toshiba for one year 'Apprenticeship Programme'. For every 3 months 50 candidates will be selected, since three years a total of 450 candidates are selected and completed the 'Apprenticeship Programme'.

The Interested Institutions / Colleges / Candidates can contact our council.
